## An Overview of Office Snax

- Office Snax is THE leading marketer of food snacks and beverages, exclusive to the office products industry.
- Office Snax is THE brand of choice in the majority of national office products catalogs.
- Office Snax's items are proven sellers, which means no guessing and FAST TURNS!
- Office Snax's high service level and our 97+% fill rate is critical to the office products channel.
- Office Snax has NO mass retail presence – we are a true channel brand.

## An Overview of Office Snax

- Office Snax items are supported by both United Stationers and S.P. Richards.
- Because of our relationship with United and SP, every item we carry is available for next day delivery.
- As "A" items become evident, direct purchases are an option for any dealer nationwide.
- Office Snax has significant catalog exposure in all major national and regional dealer catalogs.
- Office Snax participates in over 40 consumer and dealer shows around the country every year and contributes over \$700,000.00 per year in channel support.
- Office Snax items can be found on over 1,100 web-sites.

# Market Research

- “On The Go” lifestyles have created a need for convenience.
- Busy schedules, longer work days and the demand for higher worker productivity have been a continued driving force behind increased sales.
- Break room is the fastest growing category in the office products industry, with annual global sales topping \$40 billion dollars.
- Providing snacks and beverages is an inexpensive way to show appreciation to employees, even more so in today’s economy.
- Last, but not least, meetings go better with !

The Rainforest Alliance uses the power of markets to arrest the major drivers of deforestation and environmental destruction: timber extraction, agricultural expansion, cattle ranching and tourism. They work to ensure millions of acres of working forests, farms, ranchlands and hotel properties are managed according to rigorous sustainability standards. And by linking those businesses to conscientious consumers, who identify their goods and services through the Rainforest Alliance Certified™ seal and Rainforest Alliance Verified™ mark, they demonstrate that sustainable practices can help businesses thrive in the modern economy.
